Number 6

## Mrs. Carl Barthel Hurt In Car-Truck Collision On Rte. 173 Tuesday

Mrs. Carl L. Barthel, Channel Lake rd., was badly cut about the face and left leg Tuesday afternoon when her Frazer sedan collided with a transport truck at the bend in Rte. 173 east of the Soo Line tracks near the Hunter garage.

Mrs. Barthel was traveling west going home and the truck was going east.

Sheriff's deputies said Mrs. Barthel lost control of her car and it struck the rear wheels of the truck and whirled against the trailer, but remained upright in the roadway. The transport truck was deflected into the ditch.

Mrs. Barthel was taken by the Antioch Rescue squad to Victory Memorial hospital having her injuries treated. Her car was demolished. Her husband, an excavating contractor and in the material supply business, is a former Town road commissioner.

The truck driver, Vernon Jordan, 19314 Oakland ave., Detroit, Mich., a driver for the Gray Transport Co. of Detroit was unhurt. Considerable repair to the wheels of the truck was necessary before he could continue his trip.

## St. Peter's School Has Increased Enrollment; Registration Now 262

St. Peter's school opened yesterday with an enrollment of 262, an increase of 40 over last year.

More are expected to enroll later, the principal, Sister Mary Clara Ellen said, but the pre-enrollment number of 280 may not be reached because of transfers from the community.

Sister Mary Saint Erma is a new member on the staff, coming here from St. Patrick's, Dubuque, Ia., on an exchange with Sister Mary Anna Joan, who is teaching at Dubuque. There are six teachers including a music teacher.

The school is looking forward to the time when hot lunch can be served to the children. The Holy Rosary society is in the process of equipping the kitchen, but a refrigerator and other articles are needed.

The children will take Holy Communion tomorrow, morning followed by breakfast served at the school.

## Uncle of Antioch Woman Champion Grain Raiser

Four firsts and two championships of seven entries that placed in the remarkable record of L. A. Huebsch, Mundelein with his entries of grain at the Illinois state fair this year.

Huebsch, uncle of Mrs. Louis Horton of Antioch, got a championship in hard red winter wheat and was champion in farm products.

His winnings were first in hard red winter wheat, soft red winter wheat, yellow oats, and yellow soy beans, second in white oats, fourth in 6-row barley, and fifth in hybrid seed corn.

## Two Girls Injured When Cardiff's Car Overtaken

Two Chicago girls, Sallie Biehl, 16, of 2421 Lunt ave., and Patricia Kiely, 17, of 2102 Lunt ave., were cut and bruised Monday evening when the car in which they were riding with Harold Cardiff Jr., of Antioch, overturned in a field on Deep Lake rd. a half mile north of Loon Lake rd.

Cardiff was said to have tried to avoid hitting another car that was backing out onto the highway and lost control of his car.

## Antioch Delegates to Legion Convention Put On Various Committees

Cmdr. Oscar I. Onstad, of the Antioch post, American Legion, Harold Christenson, F. A. Swenson and John Horan, past commanders, will represent the Antioch post at the state convention of the Legion in Chicago which opened today.

The 10th district delegates from Lake county are housed in the La-Salle hotel.

Swenson will serve as a member of the veteran's assistance committee and Horan on the Legion monthly committee. Horan also will be liaison officer for the parade which will take place Sunday afternoon.

## Vacation Season Ends, Antioch Again Normal, Village Filled Saturday

Antioch is back to normal again after the departure of the summer vacationers. People on the street are no longer strangers and the leaping clothing of the vacation time has been replaced with the better street wear.

The summer resort season ended with a big crowd over the weekend. Antioch was jammed full Saturday but on Sunday the crowd thinned and by Labor Day there was merely the steady but not too heavy traffic through the village.

There were no fatal accidents in the county over the double holiday and Labor Day was considered quiet.

Police Chief Walter I. Scott said there wasn't too great difficulty handling traffic.

## Operator of Children's Home Here Arrested on Delinquency Charges

## Daisy Hull, 75, Alleged to Have Starved, Beaten Boarders

Miss Daisy Hull, 75, operator of a children's boarding home known as Kendall hall near this village was arrested by Chief Deputy Sheriff Stanley Christian yesterday on charges of contributing to the delinquency of children.

The complaint was signed by one of the children's mother and followed an investigation by State's Attorney Robert Nelson into conditions at the home which has been in operation since last May.

Kendall hall is the old West school for children at North ave. and Trevor rd. northwest of Antioch.

The sheriff found five girls and 10 boys ranging from 3 to 13 years of age under Miss Hull's care. Conditions at the place were said to be filthy only two of the beds for the children having sheets. The children, dirty and ill kept, were fed on two meals a day and very little at that, and some gave evidence of being beaten.

The children were mainly those from broken homes sent to Kendall Hall from Chicago under the belief that it was a reputable place.

Very few Antioch people knew that the home existed, and Police Chief Walter I. Scott said his first knowledge of the place came recently when he received a telephone call from a Chicago woman inquiring about her children at "Carnegie Hall." From the description Scott gathered that it was the former West school. They were found, however, at the West school.

Miss Hull is charged in 15 counts in county court with contributing to the delinquency of that many children under her care.

## New Building Program Seen at Grade School; Enrollment Reaches 402

The Antioch Grade school is again bulging its crowded enrollment.

Principal Richard Whitacre announced yesterday that the registration was 402, an increase of 40 over last year with the number to be swelled still more through late comers.

There are 60 kindergarten pupils, an increase of six over last year and this increase is reflected throughout the higher grades.

"We could use three extra rooms right now and will need perhaps two more next year," said Principal Whitacre. He said the band room in the old building is being used as a class room.

While the wave of wartime children has reached the lower grades and may be expected to ripple through the school, the real increase comes from new families in the community, the principal said.

"We have no big subdivision, but new houses here and there throughout the district are bringing in new children steadily," he explained. He said a new building program is necessary.

The cafeteria, for the Antioch school started off yesterday in a successful manner.

The kindergarten will be divided into two sections next week, the rural children attending in the morning and the village children in the afternoon.

Mr. and Mrs. Homer Toft are the parents of a son born Sunday at St. Therese hospital, Waukegan.

## Village Hires Arwell, Inc. To Destroy Rodents; Plans for Cleanup Day

The village board will obtain the services of Arwell Inc., Waukegan over a three-month period to get rid of rats in the business section and in the low ground to the east.

At the same time it will obtain rat bait to dispense among residents who desire it to get rid of any of the rodents around their premises.

E. B. Knudson and Herbert Gleason representing Arwell, Inc., appeared before the trustees in explaining their procedures. Knudson's talk was quite informative. He said that his firm uses various types of bait ranging from the mild and slow acting warfarin which is harmless to other animals to the 10-80 which is extremely toxic.

Quick action bait is used first but only where no harm can come to other life. The 10-80 type is so toxic that rats feeding on other dead rats also die. Rats that are ill leave the colony or are killed.

Knudson recommended that the work of extermination start in the latter part of September. The three-month service will cost the village \$405.12 with a 10 percent discount.

Mayor James McMillen said that the plans to proclaim a "Clean Up Day" when merchants and property owners will be expected to get rid of materials and places that harbor rats. Knudson said that it would be better if all such conditions be remedied so that the rats could not be given a chance to become re-habilitated.

The number of rats there are is determined by the amount of food and shelter. The strongest rats are found near a food source and the weakest far from it. The more food there is the more rapidly they multiply.

The attention of the board was directed to the more than usual number of rats east of the main street in the banks and low lands and behind business places by the Lions club which suggested they be killed.

## Duck Hunting Season From Oct. 26, Dec. 9; Fishing Reported Good

Open season for hunting of wild fowl in this area will start Oct. 26 and end Dec. 9, it has been announced.

Coot hunting will be the same as other fowls as to season. Duck hunting is an extremely popular sport with hundreds of hunters coming to local resorts for the 10 days.

While many of the visiting fishermen have left, the local residents continue to pull them out of the Chain of Lakes.

The conservation department reports as follows: Croppies are being taken with minnows at Squaw creek, Fox Lake, Ferris bay and Lake Marie; Bluegills with flies and worms at Oetlings shore, Channel lake, North bay, and Grass lake.

Large mouth bass on frogs and surface bait at North bay of Grass lake, west shore of Channel lake, Stanton bay of Fox Lake, and west shore of Grass lake, pickerel on large chubs at east shore of Grass lake, northwest bay of Channel lake, and Nippersink lake.

All four varieties are making good fishing.

## Lorraine Smith Wins Honors at Bird Show In Chesterton, Ind.

Mrs. Lorraine Smith, Felter's Subd., Antioch, won high honors at the Indiana Budgerigar Society Un-fligher show held at Chesterfield, Ind., Sept. 1 and 2.

With largest number of Budgie entries ever displayed in the United States she entered in the Champion Class and received the following honors:

First Best of Breed - Yellow Opaline male  
Fifth Best of Breed - Light Green Normal male  
Fourth Best of Breed - Light Green Opaline male  
Fifth Best of Breed - Light Green Opaline male  
Fourth Best of Breed - Light Green Opaline hen

Competition was very strong, some of the breeders entering large numbers of birds, both rare and normals. The Budgie, because of his variety of colors, talking ability and gentle nature is fast becoming a popular household pet.

## Coach Kessenich Drills Sequoits for Opening Game With Wilmot High

With the opening of school, Antioch Township High's varsity football squad took to evening practices in preparing for the opening game with Wilmot here Friday, Sept. 14.

Coach Paul Kessenich said he is well pleased with the work of his men so far, but during the coming week he expects to put more emphasis on speed in the starting and running of plays and in blocking. Much has to be done along those lines, he said, before the team will be able to present its best strength.

Kessenich also is training several of his men for two positions, especially where the reserve strength is limited. This is especially true in the fullback spot where both Harry Larson and Dale Jones are training, with Jones able to shift to an end position if necessary.

On the line Jack Nelson is at center, Jim Osmond at right guard; Bill Bachman at right tackle, and Bill Clark at right end. Dennis Kennedy, Bill Paulsen, and Bob Lubkemann, three seniors are at left guard, left tackle, and left end respectively.

Bob Webber, at quarterback, is pleasing Coach Kessenich a lot with his passing. Boake Baird, at left half, is also training for the quarterback position if a substitution is necessary. Ronald Scully, a senior, will be at right half.

The squad is working on the theory that it will win its games this year.

## Increase in Enrollment Causes Demand for More Primary Teachers in 1952

Verne L. Nickell, state superintendent of public instruction of Illinois, announced today that due to the increase in the births in Illinois during the years of 1945 and 1946, the state will need an additional three thousand teachers to meet the demand for the first and second grades alone in '51 and '52.

These two years represent the beginning of an increase in the elementary grades that will not reach its peak until 1959 and the peak enrollment for elementary and high school will not be reached until 1962-1963.

Mr. Nickell expressed the opinion that there are real opportunities ahead for young people in the teaching field. Larger enrollments, better salaries and an excellent retirement system affords an outstanding opportunity for the young men and young women entering the teaching profession.

**Tax Receipts \$295,000**  
John Horan, Antioch township tax collector and his assistants recorded \$295,000 receipts when the books were turned over to the Lake county treasurer this week.  
Receipts this year were \$80,000 more than last year, Horan said. While a certain amount was accredited to increased rates, much of the \$80,000 was from delinquent taxes that were paid.

**Kopriva Much Improved**  
James Kopriva is home from St. Francis hospital at Evanston where he was taken following a heart attack and is reported quite improved. His grandson, the son of Dr. and Mrs. James Kopriva of Evanston has been ill with pneumonia.

## Antioch's Population 1,301 in Census Report To Village's Trustees

## No Action Taken on Bid For Liquor License To Recreation

Antioch's population figure while merely preliminary to the official report, stands at 1,301, Clerk C. B. Shultis was informed by Howard Bausman, chief of the bureau of census in the Department of Commerce, Washington, D. C.

Shultis was asked by the village board to ascertain the population to guide in its issuance of liquor licenses which are based on population.

The board took no action last Tuesday evening on the request of the Antioch Recreation for a tavern type license. Members were informed that even though one were granted the bowling alley firm could not use it because the lease prevents the sale of liquor.

Hans Johnson, owner of the building, said he is lenient in allowing alley proprietors to sell beer.

The trustees are reluctant to change the liquor ordinance fearing that if they ever made a change for one firm they would have to do it for others and the limitation clause would become worthless.

The board was informed that the Illinois Municipal league will hold its state convention at Peoria Oct. 7, 8, and 9. Members usually attend this meeting.

A resolution was passed appropriating \$1,600 of the village's motor fuel tax fund to the care and maintenance of arterial streets during the coming fiscal year. It will provide for a snow shovel.

The board accepted a guaranteed title from Albert Herman for a strip of land from Orchard st. to the village sewage disposal system to be used as a roadway and placed the document on file.

## Barnstable Gets Chance To Serve as Temporary Coach of Kentucky U.

New honor and recognition was bestowed upon Antioch's Dale Barnstable recently when he was called upon to serve as temporary coach of the famed Kentucky Wildcats, NCAA basketball champions, getting them ready for a pre-season tour of Puerto Rico.

Dale got his big chance when Adolph Rupp, famed Wildcat mentor was unable to take charge of his team due to previous commitments as a guest lecturer at various coaching schools throughout the country. Rupp's regular assistant, Harry Lancaster, is in Greece on an athletic assignment for the state department.

Barnstable took charge of the Wildcats on Aug. 13 and was in complete charge of the early practice sessions of a dozen Wildcat players until August 25, when Coach Rupp joined the team at San Juan, P. R., in time for the first game. Dale is serving as assistant coach during the remainder of the seven-game jaunt on the island.

**Won 4 Cage Letters**  
Dale graduated from the University of Kentucky in June 1950 after completing an outstanding athletic career in basketball, track and golf. Playing regularly at either guard or forward with the Wildcats, Barnstable won four varsity letters in the cage sport and was co-captain of the 1949-50 quintet.

The former Antioch prep ace launched his coaching career as head basketball mentor at du Pont Manual High school in Louisville last winter and directed his first team to the semi-finals of the Kentucky State tournament. As a result of his outstanding success in his freshman year as a coach, Dale was named 1950-51 Coach of the Year for the entire state of Kentucky.

An army veteran of World War II, Barnstable served in the European theatre for 15 months of his three years of duty in the armed forces and won two battle stars in infantry action.

Also during his service with the armed forces he played basketball in the 71st Division team and won a spot in the Third Army All-Star team.

A native of Antioch, Ill., Barnstable is married to the former William Lee Haverly of Corbin, Ky. They have two daughters. His mother, Mrs. Eva Barnstable, makes her home at 604 N. Main st.

## V.F.W. Had Bad Year But Wins Final Games; Beats Kenosha 7 to 6

The V. F. W. finished one of its poorest seasons on a happy note by edging Model Tavern 7-6. In addition, Monday they were credited with a forfeit win over Burlington. Thus Antioch finished the year with a 4-11 record in league play.

Bob Lubkeman and Johnny Benes both playing their second game with the locals sparked Antioch to its Sunday triumph. Bob hurried a very fine game. He allowed eight hits three of which were of the scratch variety. He struck out seven and walked but one batter. Also he faced only three batters in six of the nine innings. In addition to the pitching Lubkeman shared batting honors with Johnny Benes as each collected two hits. Johnny caught a good game and drove in the tying runs in the eighth inning with a double and later scored the winning run.

Antioch started the days scoring in the second inning. Pregenzer led off with a base on balls but was forced at second. Recker's attempted sacrifice. Lubkeman singled to right. Wells then grounded to short (Continued on page 5)

## High School Heating System Not Completed; No Heat Until Oct. 1

The weather will play an important part in the Antioch Township High school during the rest of September.

There will be no heat in the building until Oct. 1 as the result of the failure of the contractor, the Tonyan Construction Co. to convert the heating system from coal to oil heat by Sept. 1 as had been promised.

"We can operate if we have mild fall weather, but if it turns cold we will have to dispense with classes, Principal R. C. Edmundson said.

The school got off to a good start so far as classes were concerned yesterday with an enrollment of 331. By classes the enrollment was 70 seniors, 74 juniors, 93 sophomores, and 91 freshmen.

Remodeling of the old auditorium is nearing completion. The corridors and four classrooms have been redecorated. The shops will be ready for use by Oct. 15.

The school secretary, Mrs. William Fearon will end her duties Oct. 1 and a new secretary is being sought.

## Antioch Lions Invited to Mt. Prospect Festival

"The Mt. Prospect Lions club is staging its annual fall festival for five nights starting on Wednesday and closing on Sunday night, Sept. 9. Lions Fred Meeske and Walter Kirchhoff are Co-chairmen with President Sherman H. Canty cooperating. Fellow Lions of this community and their friends have been invited to attend this traditional event for which the Mt. Prospect club has won statewide recognition.

A special feature of the Festival is the flower and garden produce show, housed in a huge tent along with exhibits by merchants and manufacturers. Many rides and entertainment features are on the program including music nightly by two talented musicians.

There is no admission charge to the Festival which opens at 7 p.m. nightly and continues to midnight.

## Mrs. Carl Barthel Hurt In Car-Truck Collision On Rte. 173 Tuesday

Mrs. Carl L. Barthel, Channel Lake rd., was badly cut about the face and left leg Tuesday afternoon when her Frazer sedan collided with a transport truck at the bend in Rte. 173 east of the Soo Line tracks near the Hunter garage.

Mrs. Barthel was traveling west going home and the truck was going east.

Sheriff's deputies said Mrs. Barthel lost control of her car and it struck the rear wheels of the truck and whirled against the trailer, but remained upright in the roadway. The transport truck was deflected into the ditch.

Mrs. Barthel was taken by the Antioch Rescue squad to Victory Memorial hospital having her injuries treated. Her car was demolished. Her husband, an excavating contractor and in the material supply business, is a former Town road commissioner.

The truck driver, Vernon Jordan, 1934 Oakland ave., Detroit, Mich., a driver for the Gray Transport Co. of Detroit was unhurt. Considerable repair to the wheels of the truck was necessary before he could continue his trip.

## St. Peter's School Has Increased Enrollment; Registration Now 262

St. Peter's school opened yesterday with an enrollment of 262, an increase of 40 over last year.

More are expected to enroll later, the principal, Sister Mary Clara Ellen said, but the pre-enrollment number of 280 may not be reached because of transfers from the community.

Sister Mary Saint Erma is a new member on the staff, coming here from St. Patrick's, Dubuque, Ia. on an exchange with Sister Mary Anna Joan, who is teaching at Dubuque. There are six teachers including a music teacher.

The school is looking forward to the time when hot lunch can be served to the children. The Holy Rosary society is in the process of equipping the kitchen, but a refrigerator and other articles are needed.

The children will take Holy Communion tomorrow morning followed by breakfast served at the school.

## Uncle of Antioch Woman Champion Grain Raiser

Four firsts and two championships of seven entries that placed in the remarkable record of L. A. Huebsch, Mundelein with his entries of grain at the Illinois state fair this year.

Huebsch, uncle of Mrs. Louis Horton of Antioch, got a championship in hard red winter wheat and was champion in farm products.

His winnings were first in hard red winter wheat, soft red winter wheat, yellow oats, and yellow soy beans, second in white oats, fourth in 6-row barley, and fifth in hybrid seed corn.

## Two Girls Injured When Cardiff's Car Overturns

Two Chicago girls, Sallie Biehl, 16, of 2421 Lunt ave., and Patricia Kiely, 17, of 2102 Lunt ave., were cut and bruised Monday evening when the car in which they were riding with Harold Cardiff Jr., of Antioch overturned in a field on Deep Lake rd. a half mile north of Loon Lake rd.

Cardiff was said to have tried to avoid hitting another car that was backing out onto the highway and lost control of his car.

## Antioch Delegates to Legion Convention Put On Various Committees

Cmdr. Oscar I. Onstad of the Antioch post, American Legion, Harold Christenson, F. A. Swenson and John Horan, past commanders, will represent the Antioch post at the state convention of the Legion in Chicago which opened today.

The 10th district delegates from Lake county are housed in the La-Salle hotel.

Swenson will serve as a member of the veteran's assistance committee and Horan on the Legion monthly committee. Horan also will be liaison officer for the parade which will take place Sunday afternoon.

## Vacation Season Ends, Antioch Again Normal, Village Filled Saturday

Antioch is back to normal again after the departure of the summer vacationers. People on the street are no longer strangers and the lounging clothing of the vacation time has been replaced with the better street wear.

The summer resort season ended with a big crowd over the weekend. Antioch was jammed full Saturday, but on Sunday the crowd thinned and by Labor Day there was merely the steady but not too heavy traffic through the village.

There were no fatal accidents in the county over the double holiday and Labor Day was considered quiet.

Police Chief Walter I. Scott said there wasn't too great difficulty handling traffic.

## Operator of Children's Home Here Arrested on Delinquency Charges

## Daisy Hull, 75, Alleged to Have Starved, Beaten Boarders

Miss Daisy Hull, 75, operator of a children's boarding home known as Kendall hall near this village was arrested by Chief Deputy Sheriff Stanley Christian yesterday on charges of contributing to the delinquency of children.

The complaint was signed by one of the children's mother and followed an investigation by State's Attorney Robert Nelson into conditions at the home which has been in operation since last May.

Kendall hall is the old West school for children at North ave. and Trevor rd. northwest of Antioch.

The sheriff found five girls and 10 boys ranging from 3 to 13 years of age under Miss Hull's care. Conditions at the place were said to be filthy only two of the beds for the children having sheets. The children, dirty and ill kept, were fed on two meals a day and very little at that, and some gave evidence of being beaten.

The children were mainly those from broken homes sent to Kendall Hall from Chicago under the belief that it was a reputable place.

Very few Antioch people knew that the home existed, and Police Chief Walter I. Scott said his first knowledge of the place came recently when he received a telephone call from a Chicago woman inquiring about her children at "Carnegie Hall."

From the description Scott gathered that it was the former West school. They were found, however, at the West school.

Miss Hull is charged in 15 counts in county court with contributing to the delinquency of that many children under her care.

## New Building Program Seen at Grade School; Enrollment Reaches 402

The Antioch Grade school is again bulging its crowded enrollment.

Principal Richard Whitacre announced yesterday that the registration was 402, an increase of 40 over last year with the number to be swelled still more through late comers.

There are 60 kindergarten pupils, an increase of six over last year and this increase is reflected throughout the higher grades.

"We could use three extra rooms right now and will need perhaps two more next year," said Principal Whitacre. He said the band room in the old building is being used as a class room.

While the wave of wartime children has reached the lower grades and may be expected to ripple through the school, the real increase comes from new families in the community, the principal said.

"We have no big subdivision, but new houses here and there throughout the district are bringing in new children steadily," he explained. He said a new building program is necessary.

The cafeteria, for the Antioch school started off yesterday in a successful manner.

The kindergarten will be divided into two sections next week, the rural children attending in the morning and the village children in the afternoon.

Mr. and Mrs. Homer Toft are the parents of a son born Sunday at St. Therese hospital, Waukegan.

## Village Hires Arwell, Inc. To Destroy Rodents; Plans for Cleanup Day

The village board will obtain the services of Arwell Inc., Waukegan over a three-month period to get rid of rats in the business section and in the low ground to the east.

At the same time it will obtain rat bait to dispense among residents who desire it to get rid of any of the rodents around their premises.

E. B. Knudson and Herbert Gleason representing Arwell, Inc., appeared before the trustees in explaining their procedures. Knudson's talk was quite informative. He said that his firm uses various types of bait ranging from the mild and slow acting warfarin which is harmless to other animals to the 10-80 which is extremely toxic.

Quick action bait is used first but only where no harm can come to other life. The 10-80 type is so toxic that rats feeding on other dead rats also die. Rats that are ill leave the colony or are killed.

Knudson recommended that the work of extermination start in the latter part of September. The three-month service will cost the village \$405.12 with a 10 percent discount.

Mayor James McMillen said that the plans to proclaim a "Clean Up Day" when merchants and property owners will be expected to get rid of materials and places that harbor rats. Knudson said that it would be better if all such conditions be remedied so that the rats could not be given a chance to become re-habilitated.

The number of rats there are is determined by the amount of food and shelter. The strongest rats are found near a food source and the weakest far from it. The more food there is the more rapidly they multiply.

The attention of the board was directed to the more than usual number of rats east of the main street in the banks and low lands and behind business places by the Lions club which suggested they be killed.

## Duck Hunting Season From Oct. 26, Dec. 9; Fishing Reported Good

Open season for hunting of wild fowl in this area will start Oct. 26 and end Dec. 9, it has been announced.

Coot hunting will be the same as other fowls as to season. Duck hunting is an extremely popular sport with hundreds of hunters coming to local resorts for the 10 days.

While many of the visiting fishermen have left, the local residents continue to pull them out of the Chain of Lakes.

The conservation department reports as follows: Croppies are being taken with minnows at Squaw creek, Fox Lake, Ferris bay and Lake Marie; Bluegills with flies and worms at Oetting's shore, Channel lake, North bay, and Grass lake.

Large mouth bass on frogs and surface bait at North bay of Grass lake, west shore of Channel lake, Stanton bay of Fox Lake, and west shore of Grass lake, pickerel on large chubs at east shore of Grass lake, northwest bay of Channel lake, and Nippersink lake.

All four varieties are making good fishing.

## Lorraine Smith Wins Honors at Bird Show In Chesterton, Ind.

Mrs. Lorraine Smith, Felter's Subd., Antioch, won high honors at the Indiana Budgetary Society Unflincher show held at Chesterfield, Ind., Sept. 1 and 2.

With largest number of Budgie entries ever displayed in the United States she entered in the Champion Class and received the following honors:

First Best of Breed - Yellow Opaline male  
Fifth Best of Breed - Light Green Normal male  
Fourth Best of Breed - Light Green Opaline male  
Fifth Best of Breed - Light Green Opaline male  
Fourth Best of Breed - Light Green Opaline hen

Competition was very strong, some of the breeders entering large numbers of birds, both rares and normals. The Budgie, because of its variety of colors, talking ability and gentle nature is fast becoming a popular household pet.

## Coach Kessenich Drills Sequoits for Opening Game With Wilmot High

With the opening of school, Antioch Township High's varsity football squad took to evening practices in preparing for the opening game with Wilmot here Friday, Sept. 14.

Coach Paul Kessenich said he is well pleased with the work of his men so far, but during the coming week he expects to put more emphasis on speed in the starting and running of plays and in blocking. Much has to be done along those lines, he said, before the team will be able to present its best strength.

Kessenich also is training several of his men for two positions, especially where the reserve strength is limited. This is especially true in the fullback spot where both Harry Larson and Dale Jones are in training, with Jones able to shift to an end position if necessary.

On the line Jack Nelson is at center, Jim Osmond at right guard; Bill Bachman at right tackle, and Bill Clark at right end. Dennis Kennedy, Bill Paulsen, and Bob Lubkemann, three seniors are at left guard, left tackle, and left end respectively.

Bob Webber, at quarterback, is pleasing Coach Kessenich a lot with his passing. Boake Baird, at left half, is also training for the quarterback position if a substitution is necessary. Ronald Scully, a senior, will be at right half.

The squad is working on the theory that it will win its games this year.

## Increase in Enrollment Causes Demand for More Primary Teachers in 1952

Verne L. Nickell, state superintendent of public instruction of Illinois, announced today that due to the increase in the births in Illinois during the years of 1945 and 1946, the state will need an additional three thousand teachers to meet the demand for the first and second grades alone in '51 and '52.

These two years represent the beginning of an increase in the elementary grades that will not reach its peak until 1959 and the peak enrollment for elementary and high school will not be reached until 1962-1963.

Mr. Nickell expressed the opinion that there are real opportunities ahead for young people in the teaching field. Larger enrollments, better salaries and an excellent retirement system affords an outstanding opportunity for the young men and young women entering the teaching profession.

## Tax Receipts \$295,000

John Horan, Antioch township tax collector and his assistants recorded \$295,000 receipts when the books were turned over to the Lake county treasurer this week.

Receipts this year were \$80,000 more than last year, Horan said. While a certain amount was accredited to increased rates, much of the \$80,000 was from delinquent taxes that were paid.

## Kopriva Much Improved

James Kopriva is home from St. Francis hospital at Evanston where he was taken following a heart attack and is reported quite improved. His grandson, the son of Dr. and Mrs. James Kopriva of Evanston has been ill with pneumonia.

## V.F.W. Had Bad Year But Wins Final Games; Beats Kenosha 7 to 6

The V. F. W. finished one of its poorest seasons on a happy note by edging Model Tavern 7-6. In addition, Monday they were credited with a forfeit win over Burlington. Thus Antioch finished the year with a 4-11 record in league play.

Bob Lubkeman and Johnny Benes both playing their second game with the locals sparked Antioch to its Sunday triumph. Bob hurled a very fine game. He allowed eight hits three of which were of the scratch variety. He struck out seven and walked but one batter. Also he faced only three batters in six of the nine innings. In addition to the pitching Lubkeman shared batting honors with Johnny Benes as each collected two hits. Johnny caught a good game and drove in the tying runs in the eighth inning with a double and later scored the winning run.

Antioch started the days scoring in the second inning. Pregrener led off with a base on balls but was forced at second. Recker's attempted sacrifice, Lubkeman singled to right. Wells then grounded to short (Continued on page 5)

## High School Heating System Not Completed; No Heat Until Oct. 1

The weather will play an important part in the Antioch Township High school during the rest of September.

There will be no heat in the building until Oct. 1 as the result of the failure of the contractor, the Tonyan Construction Co. to convert the heating system from coal to oil heat by Sept. 1 as had been promised.

"We can operate if we have mild fall weather, but if it turns cold we will have to dispense with classes," Principal R. C. Edmundson said.

The school got off to a good start so far as classes were concerned yesterday with an enrollment of 331. By classes the enrollment was 70 seniors, 74 juniors, 93 sophomores, and 91 freshmen.

Remodeling of the old auditorium is nearing completion. The corridors and four classrooms have been redecorated. The shops will be ready for use by Oct. 15.

The school secretary, Mrs. William Fearon will end her duties Oct. 1 and a new secretary is being sought.

## Antioch Lions Invited to Mt. Prospect Festival

"The Mt. Prospect Lions club is staging its annual fall festival for five nights starting on Wednesday and closing on Sunday night, Sept. 9. Lions Fred Meeske and Walter Kirchhoff are Co-chairmen with President Sherman H. Canty cooperating. Fellow Lions of this community and their friends have been invited to attend this traditional event for which the Mt. Prospect club has won statewide recognition.

A special feature of the Festival is the flower and garden produce show, housed in a huge tent along with exhibits by merchants and manufacturers. Many rides and entertainment features are on the program including music nightly by two talented musicians.

There is no admission charge to the Festival which opens at 7 p.m. nightly and continues to midnight.

## Antioch's Population 1,301 in Census Report To Village's Trustees

## No Action Taken on Bid For Liquor License To Recreation

Antioch's population figure while merely preliminary to the official report stands at 1,301, Clerk C. B. Shultis was informed by Howard Bausman, chief of the bureau of census in the Department of Commerce, Washington, D. C.

Shultis was asked by the village board to ascertain the population to guide in its issuance of liquor licenses which are based on population.

The board took no action last Tuesday evening on the request of the Antioch Recreation for a tavern type license. Members were informed that even though one were granted the bowling alley firm could not use it because the lease prevents the sale of liquor.

Hans Johnson, owner of the building, said he is lenient in allowing alley proprietors to sell beer.

The trustees are reluctant to change the liquor ordinance fearing that if they ever made a change for one firm they would have to do it for others and the limitation clause would become worthless.

The board was informed that the Illinois Municipal league will hold its state convention at Peoria Oct. 7, 8, and 9. Members usually attend this meeting.

A resolution was passed appropriating \$1,600 of the village's motor fuel tax fund to the care and maintenance of arterial streets during the coming fiscal year. It will provide for a snow shovel.

The board accepted a guaranteed title from Albert Herman for a strip of land from Orchard st. to the village sewage disposal system to be used as a roadway and placed the document on file.

## Barnstable Gets Chance To Serve as Temporary Coach of Kentucky U.

New honor and recognition was bestowed upon Antioch's Dale Barnstable recently when he was called upon to serve as temporary coach of the famed Kentucky Wildcats, NCAA basketball champions, getting them ready for a pre-season tour of Puerto Rico.

Dale got his big chance when Adolph Rupp, famed Wildcat mentor was unable to take charge of his team due to previous commitments as a guest lecturer at various coaching schools throughout the country. Rupp's regular assistant, Harry Lancaster, is in Greece on an athletic assignment for the state department.

Barnstable took charge of the Wildcats on Aug. 13 and was in complete charge of the early practice sessions of a dozen Wildcat players until August 25, when Coach Rupp joined the team at San Juan, P. R., in time for the first game. Dale is serving as assistant coach during the remainder of the seven-game jaunt on the island.

Won 4 Cage Letters  
Dale graduated from the University of Kentucky in June 1950 after completing an outstanding athletic career in basketball, track and golf. Playing regularly at either guard or forward with the Wildcats, Barnstable won four varsity letters in the cage sport and was co-captain of the 1949-50 quintet.

The former Antioch prep ace launched his coaching career as head basketball mentor at du Pont Manual High school in Louisville last winter and directed his first team to the semi-finals of the Kentucky State tournament. As a result of his outstanding success in his freshman year as a coach, Dale was named 1950-51 Coach of the Year for the entire state of Kentucky.

An army veteran of World War II, Barnstable served in the European theatre for 15 months of his three years of duty in the armed forces and won two battle stars in infantry action.

Also during his service with the armed forces he played basketball in the 71st Division team and won a spot in the Third Army All-Star team.

A native of Antioch, Ill., Barnstable is married to the former William Lee Haverly of Corbin, Ky. They have two daughters. His mother, Mrs. Eva Barnstable, makes her home at 634 N. Main st.

## HIGHER PRICES AHEAD?

Some government economists are forecasting that food prices will rise again in the very near future. Forecasts of this nature must always be taken with a grain of salt—they have often been wrong, and other experts think there will be little or no change in the present price structure.

Time will tell as to that. However, if prices do go up again—for food or anything else in general use—it is possible that the retailers will be blamed, precisely as they have been blamed in the past. In the early days of the postwar inflation, consumer groups actually went so far as to picket stores, armed with placards which urged everyone to refuse to buy this item or that unless the price was heavily cut.

Consumer worry and anger over high prices is certainly understandable. But when the blame is centered on the retailer, the consumer is simply barking up the wrong tree. He has been caught in the bite along with all the rest of us. The wholesale prices he must pay, and over which he has no control, have risen again and again. So have his payroll, his rent, his taxes, his administrative costs, and so on. All of this might be of comparatively small moment if he had a fat margin of profit to fall back on. But, actually, the profit in food retailing is far smaller than most of us realize. The big food chains, for example, earn, as profit only one to two cents out of each dollar which goes through their tills. And in other types of retailing the profit usually amounts to less than five cents on each dollar of sales.

Competition holds prices to a minimum, in every field of manufacturing and retailing. When prices go up, it means that the economic forces of the time made this unavoidable.

## NATIONAL CHEMISTRY WEEK

The American Chemical Society will hold its Diamond Jubilee meeting in New York from September 3 to 7. In observation of the event, the Department of Commerce has designated the week of September 2-8 as National Chemistry Week, and the Post Office Department has authorized a special stamp commemorating the 75th anniversary of the Society.

Chemists and chemical engineers will come from all over the free world to attend the Jubilee meeting. This in itself emphasizes the preeminent position the United States holds in both the science of chemistry and in chemical industry. Our chemists have been the leaders in a thousand fields of research, some of which have led them into amazing new worlds of knowledge and discovery. And our great chemical industry has been fully capable of putting the results to work to serve mankind.

It is altogether imperative that free, competitive research of this character be encouraged and continued. Yet there are serious problems involved. In a recent address in London, Dr. Robert E. Wilson of Chicago said that competitive research during the past third of a century has raised the standard of living more than in any whole century of prior research. He added, "But just when research is getting more difficult and expensive, we are faced with the widespread of weakening of incentives and new threats to individual and business freedom." In other words, progress in this field, as in all others, depends upon maintaining the freedoms and incentives which drive men to achievement. There is no alternative.

## THE LOW DOWN FROM HICKORY GROVE

Most folks understand and savvy 8 bucks or 800 bucks or even 8000 bucks—know what it looks like, anyway the 8 bucks—but when you get into the 1000 million and the 60,000 million stage, you are lost in the woods.

Sixty billion, when the Govt. spends that much in one year, it means 5 billion a month—and boiled down further, it is 166,000,000 per day, and using my slipstick still further it averages for each of the 60 odd million persons on some payroll or other, to 2.80 each. Some of this 2.80 is not deducted by the skimmer, the tax on your smoking tobacco. It is round about but the skimmer factory along to the user. Nothing complicated there.

Big figures have overcome included. She looks like congress has thrown in the sponge. The paper says the defense dept. needs 3,825 publicity men—that averages 80 per state. Congress does not raise a ruckus—foolish spending zooms. A postcard to your man there in congress could show the Old Boy that you are not the slow poke and yokel he thinks you are—or are you.

Yours with the low down,  
JO SERRA

of their third son at Condell hospital in Libertyville last week.

Walter Boss, building contractor, has purchased the lots at the rear of the Public Service building, formerly owned by B. J. Hooper, and expects to have a warehouse and work shop to be used in connection with his building industry.

The Adult Fellowship Club of the Salem Methodist church in Chicago were guests of Mr. and Mrs. Chris Hansen at the home of her mother, Mrs. Wm. McGlashan on Oak Knoll Drive on Saturday, Aug. 25, at a pot luck supper and splendid social time.

The Pinochle club was entertained on Tuesday afternoon last week by Mrs. Charles Martin at her

home on Rte. 21 when pot luck dinner was served at 12:30, followed by games of pinochle during the afternoon.

Mrs. Stella Pedersen who lives on Oak Knoll Drive, and who is confined to her home by illness, was pleasantly surprised last Thursday afternoon when her friends of the Sewing Club came in bringing a chicken dinner to enjoy with her.

Mr. and Mrs. Al Boehm left last Friday on an auto trip to Alexandria, Va., to visit their daughter, Mrs. M. Reynolds and husband at their home there. Mrs. Avis Burke of Waukegan is at the Boehm home

with Mrs. Boehm's mother, Mrs. Kate Manzer.

Paul Avery Jr. returned Saturday from Ontario, Canada where he spent the past week.

Mr. and Mrs. Nell Reidel and daughters, enjoyed the Labor Day weekend on a motor trip through Wisconsin.

The O. E. S. of Millburn will sponsor a public card party at the Masonic hall on Saturday evening, Sept. 8. Refreshments and prizes.

Mrs. Sophronia Murrie of Lake Forest spent last week with her sister, Mrs. Ernest Wells on Grand Avenue and was the guest of Mr. and Mrs. B. J. Hooper on Sunday.

Mr. and Mrs. Lyle McDougall, Florence McDougall, Mr. and Mrs. Lyle Techert and Terry, Mr. and Mrs. Wm. Wertz attended the Elkhorn Fair.

Mr. and Mrs. Ralph Gardner, Burlington, were week-end guest of Mr. and Mrs. Henry Vincent.

Mr. and Mrs. Clem Tilton Sr.

spent the week-end at Rochelle, Ill. Mr. and Mrs. Wayne Tilton and family attended the Tilton reunion at Rochelle, Ill., Sunday.

Mrs. Peter DiCella announced the engagement of her daughter, Tikla Mary Dubane, Kenosha, to Leland Arthur Pacey, son of Mr. and Mrs. Cyril Pacey Wilmot. No date has been set for the wedding.

**Steel for Homes**  
Steel requirements for 850,000 homes will take only 1.8 per cent of the total output of the steel industry. An analysis of five average two-bedroom units, show that about 4,500 lbs. of steel and iron and 300 lbs. of copper and brass are required.

**Color Increased Efficiency**  
Walls painted in restful colors can minimize nervous tension. A factory head discovered that the change of colors on the walls of his plant increased production efficiency from 86 per cent to 96 per cent.

**Add Width and Beauty**  
Brightly painted shutters on a house not only bring life and beauty to it, but give the illusion of width to windows that seem too narrow.

**Building Reverend**  
The Rev. Albert A. Steir, of Clifton, N.J., is also a building contractor. He is responsible for several housing projects, among them one known as Styertowne.

**New Method**  
The Yale Center for Alcohol Studies has devised a method of telling how much liquor an unconscious person has had.

**Salvation**  
A new Baptist church is being built in the Oregon Fishing village of Charleston with salvaged timber from a lumber schooner which ran aground in Coos bay six years ago.

"THAT'S MY BOY"

TRAIL BLAZER—  
with plenty on the ball

How long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. It's packed with horsepower—high, wide and handsome—more horsepower than normal drivers will ever use in full.

And—if you're up to date on modern features—you'll find that this bonnet is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. No Buick engine has ever been built in any other way.

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: Buick has been stepping up compression ratios for years.

But Buick has blazed one trail which other engines still haven't followed—don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there is a comet—rolled into a swirling ball by a special turbo-top piston—touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine—and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us soon.

Equipment, accessories, trim and models are subject to change without notice.

"Smart Buy's Buick"

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Lakeland Buick Co.

HWY. 12, 1 BLOCK  
NORTH OF GRAND AV.

Telephone Fox Lake 7-4221  
FOX LAKE, ILLINOIS

The secret of Fireball Power is in the use of dome-and-dip design of the piston shown above.

Here's the piston inside the cylinder. As it moves down, the fuel charge rushes in—sets up a swirl when it hits the piston top.

The piston moves up—compresses the swirling fuel into the comet shape shown here. "Compression ratio" is simply a measure of how much the fuel is compressed.

The ball of fuel is compressed around the spark plug—lets loose its pent-up charge when the spark is fired—delivering a higher percentage of power from each charge of fuel.

# SOCIETY EVENTS

## Antioch High Grads. To Leave for College

A number of Antioch Township High school graduates of 1951 are going to college this fall. Their enrollment is as follows:

Janice Runyard, daughter of Mr. and Mrs. James R. Runyard of Channel Lake, MacMurray college, Jacksonville, Ill.

David Deering, son of Dr. and Mrs. D. N. Deering, Wabash college, Crawfordsville, Ind.

Jack Pregenzer, son of Mr. and Mrs. Lewis Pregenzer, Illinois Wesleyan.

Tom Haviland, son of Mr. and Mrs. Ben Haviland, Illinois Wesleyan, and his brother, Bernard (Buzz), Northwestern university.

Ann Madson daughter of Mr. and Mrs. Leonard Madson and Fern Madson, daughter of Mr. and Mrs. Bernard Madson, University of Illinois.

Dick Haak, son of Mr. and Mrs. Onna Haak, Northwestern university.

Other students may be planning to go to college, but their names have not as yet been handed to the Antioch News.

St. Ignatius' Church School Opens Sunday at 9:30

The 1951-52 term for the Church School of St. Ignatius of Antioch Episcopal Church begins this Sunday, Sept. 9th, with an anticipated enrollment of 70 students. Classes will be assigned, from Nursery through high school, under a staff of nine teachers. The Parish Family Eucharist will be celebrated at 9:30, followed by the usual breakfast for all on the second Sunday of the month. At the breakfast, attendance pins and bars will be awarded: 25-1st year, 8-2nd year, 8-4th year, 25th year. Fourteen sacred medals for good summer attendance will be distributed including a sterling silver one to Mrs. Leonard Fischer for her five years of teaching the Kindergarten class.

Parents not at present sending their children to Sunday School are invited to bring their children.

Mrs. Sally Flint Renberg, formerly of Indian Point, left August 31 for Anchorage, Alaska, where she will join her husband Cpl. Richard Renberg, who is with the 43rd Army band.

Edward Bachman, Felter's Subdivision, Lake Catherine left recently for Mar Vista, California, where he plans to spend the winter with his daughter Mrs. F. E. Johnson and husband.

Mr. and Mrs. Joe Parfitt of Channel Lake Shores, returned home this week from Toronto Canada, where they were called due to the serious illness of Mr. Parfitt's mother.

Mr. and Mrs. Peter Tillich, of Lake Marie are building a new home on Loon Lake Road, Frank E. Nejdil is the building contractor.

Mr. and Mrs. Albert Pahler of Pittsburg, Pa. arrived Monday for a few days visit with their sister Mrs. Anna Gabala.

**Births**  
Mr. and Mrs. Oliver Hunt are the parents of a daughter, born at St. Therese hospital, Monday, September 3.

**Regular Services Resume At St. Ignatius'**

The regular schedule of services will resume at St. Ignatius of Antioch Episcopal Church this Sunday. The Holy Eucharist is offered each Sunday at 8:00 a.m., with Holy Eucharist at 9:30 on the 2nd and 4th Sundays, with Matins on the 2nd and 4th. Midweek Eucharists each Wednesday and Prayer Book holy day at 8:00.

**Wins TV Quiz Prize**

Donna Marie Gibbs daughter of Mr. and Mrs. Don Gibbs won a \$50 war bond by giving the correct answer to a ball game quiz on WEKB-TV. She was visiting her grandmother at Richmond at the time she sent the answer. It was a surprise when she received it last week because she had forgotten all about entering.

**Lake Villa Club Gives Dance**

The Lake Villa Men's club will hold a free dance Saturday evening at Sherwood park in making money for the community projects fund. Music will be furnished by Frank Laurie's orchestra. Refreshments will be sold and a Hereford steer donated by E. J. Lehman, given away.

**Will Attend Convention**

The Antioch American Legion and Auxiliary will be represented at the annual convention in Chicago this weekend by delegates. A number of local Legionnaires will go to Chicago Sunday to see the parade down Michigan ave. Lake county drum and bugle corps will participate. The auxiliary meeting will be in the Palmer House.

**Card of Thanks**

To my many friends, and relatives I wish to extend my gratitude, for all the considerations and kindness, shown me, during my convalescence from an injury.

Sincerely,

Velma Jackson

## Farm Boys May Attend Short Course at State College of Agriculture

Farm boys in Lake County who have wanted to get some additional school work in agriculture, but who couldn't afford the time and money for a year in college, can enroll in a short course at the University of Illinois College of Agriculture.

Farm Adviser Ray T. Nicholas says that 10 to 12 different agriculture courses will be offered this year for the first time in an intensive 8-week short course.

Dates set for the first course this year are November 24 through January 25. Deadline for advance registration is November 1. Efforts are being made to house all students together on the campus.

This winter program for eight weeks will give many farm boys a chance to get away from the farm during the slack season to study the latest information on soils, crops, livestock and machinery, Nicholas points out. It will also give them a chance to get better acquainted with research work at the college and the men who do the work.

Among the courses they will be able to take will be barn management, marketing, farm machinery, crop production, soil management, livestock and dairy cattle feeding management, farm forestry and horticulture. Each student will select four or five courses which interest him most. All courses will be taught by regular staff members of the college.

To be eligible to enroll in the short course program, a boy must be a high school graduate or at least 18 years old and must have had farm experience. If he does not live on a farm, the farm experience may have been obtained through summer farm work or through the successful completion of 4-H or vocational agriculture projects.

Farm boys who want more information on the short course program may write to Marshall J. Scott, Short Course Supervisor, 104 Mumford Hall, University of Illinois, Urbana, Illinois.

### St. Ignatius Guild

To Hold All Day Meeting

The first all day meeting of the St. Ignatius Episcopal Auxiliary, will be held at the Parish hall, Wednesday, September 12. The meeting will be called at 10:30 a. m. Members are asked to bring pot luck lunch. The afternoon will be spent in sewing and making preparations for the Christmas bazaar.

Mr. and Mrs. Harry Stewart have a new daughter born Sunday, September 2 at Victory Memorial hospital, Waukegan.

Miss Marion Spangard and Mrs. Sol Wilton left September 1 for a vacation and trip to Colorado.

## MILLBURN

Regular services at Millburn Congregational church Sunday, Sept. 9 will include Sunday school at 9:45 and Worship service at 11 o'clock. Frank Nehmer of Half Day was guest speaker at the church service Sunday in the absence of Rev. L. H. Messersmith.

The September Committee Ladies Aid will serve supper cafeteria style in the church dining room Thursday evening from 5 o'clock on. The Committee in charge is Mrs. Robert Denman chairman assisted by Mrs. Ida Truax, Mrs. Will Bonner, Mrs. Elmer Hauser, Mrs. Harrison Stephens, Mrs. Earl Bauman, Mrs. William Paulsen and Mrs. Gordon Bonner. A business meeting will be held in the church parlor at 3 o'clock with devotions conducted by Mrs. Theodore Engb and

### CHRISTIAN SCIENCE CHURCHES

That immortal man, vested with all the majesty, purity, and glory of his creator, God, is our real, true and only selfhood, will be explained in next Sunday's services in all Churches of Christ, Scientist. The title of the Lesson-Sermon on Sunday, September 9, is "MAN."

The Golden Text is from Romans (8:14) "As many as are led by the Spirit of God, they are the sons of God."

Lesson-Sermon passages from the Bible (King James Version) include the following:

"And God said, Let us make man in our image, after our likeness; . . . So God created man in his own image, in the image of God created he him; male and female created he them" (Gen. 1: 26, 27).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"God, without the image and likeness of Himself, would be a non-entity, or Mind unexpressed. He would be without a witness or proof of His own nature. Spiritual man, is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle. . . . Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and co-eternal with that Mind" (pp. 303, 350).

program in charge of Mrs. Mary Derer.

School began at Millburn School Wednesday morning with Fred Nicola of Waukegan as teacher of the 4 higher grades and Mrs. Eric Anderson in charge of the first four grades.

Mrs. Sophrona Murrell of Lake Forest spent the week-end with her sister, Mrs. Ernest Wells. They called on Mrs. Nellie Murrell at Russell Saturday afternoon.

The Mylo Club met at the home of Mrs. Walter Fountaine Thursday evening with Mrs. Clayton Engb as co-hostess. Mr. Fountaine showed the movie in the interest of Crop, showing conditions in Europe and Asia.

Billy Bonner of Rhinelander, Wis. spent the past week at the Roy Bonner home.

Mr. and Mrs. W. C. Upton spent Monday at the F. C. Semour home at Elm Grove, Wis.

Mr. and Mrs. Thomas Harness and daughter Virginia spent the weekend with Mrs. Harness' parents, Mr. and Mrs. C. C. Nelson of Brookston, Ind.

Mr. and Mrs. Frank Thomas of

Ogema, Wis. spent several days at the Howell Kenimer home.

Julia Hughes and Myron Gladdie of Chicago spent the week-end at the Alex Hughes home.

Mr. and Mrs. Robert Clark of Fort Wayne, Ind., spent the week-end with Mrs. Clark's mother, Mrs. Ida Truax. Mrs. Clark remained and will help at the Waukegan News-Sun office for two weeks.

Katherine Minio returned to Deatur Thursday to resume teaching. Mr. and Mrs. Ed Hoffman and sons returned home Sunday from three weeks vacation trip through the Northern States and visited relatives in Canada.

Mr. and Mrs. George Murrell, and the children and Mrs. Daisy Webb enjoyed a vacation at the Ralph McGuire resort on Squash Lake, Rhinelander from Friday until Tuesday.

Mr. and Mrs. Leslie Bonner were dinner guests at the home of Mr. and Mrs. Vernon Stahke in Elgin Sunday.

The Leslie Diedrich family and their guests, Mr. and Mrs. Henry Diedrich attended a birthday dinner and party Sunday at North Prairie church in honor of Mrs. Diedrich's father, Charles Ferry of Waukegan, who was celebrating his 78th birthday.

Mr. and Mrs. George Kapple and the former's brother Paul Kapple of Chicago spent Sunday with Mr. and Mrs. Carl Hapke.

Mr. and Mrs. John Edwards and family, Miss Marian Edwards and Ray Krumrey of Libertyville were supper guests at the Frank Edwards home Sunday evening.

Mr. and Mrs. Henry Diedrich of DeKalb were week-end guests at the home of their son Leslie Diedrich.

Mr. and Mrs. Warren Smith and three children of Villa Park were supper guests at the John Haisma home Monday evening.

Bruce and Elsie Stephens of Wau-

## MILLBURN

(Continued from preceding page)  
kagan spent Labor Day at the Harrison Stephens home.

The Central Christian Church of Waukegan enjoyed an all-day picnic in J. S. Denman's woods Labor day.

Mr. and Mrs. Will Bonner were dinner guests at the home of Mrs. Laura Corris Sunday.

Mr. and Mrs. Eric Anderson and daughter Rebecca and Mrs. Anna Bauman were Tuesday supper guests of Mr. and Mrs. Harry Herick of St. Olaf, Iowa, who were staying a week at the Fred Kirchmeyer home in Waukegan, during the Kirchmeyers absence.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Sunday afternoon.

Mr. and Mrs. Alex G. Hughes are receiving congratulations on their 8th grandchild. A daughter was born to Mr. and Mrs. Harry Stewart (the former Joan Hughes) of Antioch at Victory Memorial Hospital Sunday, Sept. 2.

A card party will be held at the Masonic Hall Saturday evening, Sept. 8 for the benefit of the Masonic Building fund. The usual games will be played and Alice Pearce is general chairman.

Mrs. Herbert Messner entertained a group of ladies at a luncheon Wednesday in honor of the birthday of her mother, Mrs. Elsa Lutz of Chicago. Guests included Mrs. Wm. Gollner, Mrs. Fred Klein, Mrs. Irene Messner and son of Chicago and Mrs. Walter Messner of Antioch.

Sgt. Duane Weber of Scott Field is enjoying 14 days furlough at the home of his parents, Mr. and Mrs. Clifford Weber.

Miss Eva Alling of Waukegan was a caller at the Frank Edwards home Tuesday evening.

Misses Belle and Martha Hughes of Waukegan were Sunday dinner guests at the Gordon Bonner home.

Mrs. Jennie Thomas and daughter, Mrs. Benjamin Ames and son Benjy of Waukegan spent Tuesday evening at the Kenimer home.

Mr. and Mrs. Chris Butterworth and four children of Minerva, Ohio, spent several days with Mrs. Ida Truax and Mrs. Addie Lucas.

Captain Richard P. Martin has returned to his work at Western Military Academy at Alton, Ill.

## HICKORY

The regular writer of this newsletter, Mrs. Edith Thompson, underwent surgery at the Kenosha Hospital on Wednesday of last week. Her many friends are wishing her a speedy recovery.

Mr. and Mrs. Wm. Gerber of Antioch visited their aunt, Mrs. Wm. Thompson, at the Kenosha hospital on Thursday evening.

Mr. and Mrs. Hugo Gussarson and Mrs. Orville Winfield called on Mrs. Dorothy Van Patten on Sunday afternoon.

On Monday afternoon, Mr. and Mrs. Raymond Wells attended the Cub-Pittsburgh game at Wrigley Field.

Myron Novy celebrated his eighth birthday last Thursday P. M. with a party at his home for his third grade classmates and their mothers.

Gordon Jr., Everett, and Lucille Wells and Uldine Anderson went to the Elkhorn Fair on Monday afternoon.

Guests at the Oscar Finkel home over the Labor Day week-end were his mother, Mrs. Sarah Finkel, and Mr. and Mrs. Lawrence Dean and family, of Chicago.

Mr. and Mrs. Frank Palenik from Park Falls, Wis., were week-end guests at the Rudolph Novy home. On Sunday, about forty members of the family assembled there for a reunion in honor of a brother who had been adopted out as a small baby and only recently located.

Mr. and Mrs. Wm. Richards were visited by Miss Patsy Nieski from Kentucky on Friday and Saturday. On Saturday night Mr. and Mrs. Wm. Fox, Waukegan, called. Sunday guests were Mr. and Mrs. Geo. Straw and Mr. and Mrs. Harold Pike, Kenosha. On Monday, Mr. and Mrs. John Hackmer of Chicago, were there.

Earle Crawford and Mrs. Caroline Marble were guests of Mr. and Mrs. Roland Schmoekel, Kenosha, Monday afternoon and evening, and enjoyed a visit to Petrifying Springs.

## Tough Crop

Broomcorn, closely resembling Indian corn in the field, is not an easy crop to grow. Deep, rich soil is required to produce the tall, solid stalks which rise from 10 to 14 feet high, topped by tassels of seed-bearing straw clusters ranging up to three feet long.

## Packaged Chimneys

In its campaign for up-to-date building codes, the National Association of Home Builders has advised local communities that many changes in structural requirements in new homes can be made without sacrificing either quality or safety. For example, says the NAHB, even though Fire Underwriters' Laboratories' tests show that approved packaged chimneys are as safe or safer than masonry chimneys, many antiquated codes still read "chimneys shall be of masonry."

## V.F.W. Has Bad Year.

(Continued from page 1)

but was safe when the throw went over the first baseman's head. Reckers scored on the play, Lubkeman took third and Wells second. Benes flied to left. Bob Scott grounded to second but the ball went through Wehstedt into right field. Lubkeman and Wells scoring to make the score 3-0.

Kenosha got two of the runs back in the third but Antioch also got another in its half of the third. Palenski singled to left, D. Scott bunted safely. Pregenzler grounded out both runners advancing. Palenski was then thrown out at home when the squeeze play misfired. D. Scott moved to third on the play then went home when the pitcher balked.

Model Tavern, however, came back in the sixth with three runs on singles by Hefner, Zirbel, Schneeburger and Holmes. They took a 6-4 lead in the seventh on a single by Recker who scored when Benes threw out Zirbel on a dropped third strike.

In the eighth Antioch rallied for three runs which meant the game. Lubkeman led off with a single to left. Wells grounded to the pitcher but both runners were safe when Zirbel dropped the ball on the attempted force play. Benes then doubled to right center sending in Lubkeman and Wells with the tying runs. Benes moved to third as Haviland grounded out for the second out. Kings throw to the plate was too late to get Benes who made the score 7-6.

The Taverners threatened in the ninth when Kolmos led off with a single. Lubkeman struck out Becker. King then sent a liner to right center field of which Becker made a nice running catch and then threw to first to double Becker for the third out.

Monday Burlington forfeited its game with Antioch in order to play in the finals at the Walworth County Fair. They also lost that game to Walworth by a 3-2 count.

## Attend Funeral of Granddaughter

Mr. and Mrs. Walter Hills, attended funeral services for their grand daughter, who died at the Woodstock hospital Tuesday, September 4. The little girl, the daughter of Mr. and Mrs. Raymond Hills, was born Saturday, Sept. 1 and was named Wendy Rae, she lived only three days. Services were held at the Merwin funeral home. Interment was in the Woodstock cemetery. Mr. and Mrs. Donald Hills also attended the service.

## Antioch Milling Company Will Stage Dog Parade For Children Sept. 30

A pet dog parade for youngsters in Antioch has been announced by Antioch Milling Co., local Purina Livestock and Poultry Chow dealer. The Pet Dog Parade will be staged on Sunday, Sept. 30 with Kenneth Warden, Dr. R. A. Ripley, Arthur

Trieger, Benard Haviland, William Brook, Cletus Vos, Harry Purdom, Ed. C. Jacobs and Mrs. Richard Lynn judging the pets in many classifications. A trophy, plus copies of the "Dog Etiquette" book, which contains many useful tips on the care and training of pet dogs, and other prizes will be awarded the winners in each group.

Dogs will be judged in these groups: dog with the longest tail;

dog with the shortest tail; best boy-and-dog entry; best girl-and-dog entry; best looking pup; ugliest dog; oldest dog; smallest dog; biggest dog; dog with the most spots; dog with the biggest single spot; dog with the longest ears; dog with the best tricks; dog with the cleverest costume; most obedient dog; best dog in the parade.

Entry blanks and additional information may be secured from the Antioch Milling Co.

## Subscribe Now to

Your Hometown Newspaper

## The Antioch News

The Antioch News is purely a local newspaper, it makes no effort to bring you sensational news of killings, rapes, bloody accidents or other happenings of this kind unless our community is directly affected. No report of this type is ever included in its columns. Instead, your local paper brings you news of tax matters here at home, school and club news, election and home government news and all incidents which are of interest to you as a member of this community. . . . Plenty of the other kind of reading is available in the metropolitan newspapers. . . .

## Still \$2.00 per year!

A subscription for one year to the Antioch News will still bring you a resume of the happenings of each week for \$2.00. This price has been in effect for more than twenty years, and only increased efficiency in production has allowed it to continue in the face of higher costs all along the line. Where else can you make a purchase and still pay 1931 prices?

## Phone Antioch 43 or 44

Just phone us, we'll put your name on our list and bill you later. Curtailment of newsprint stock may make it impossible for us to continue to have copies available for news stand distribution in the future, and your name on our list will insure delivery of your copy each week.

## SALEM

Mr. and Mrs. Lester Dix and Judith Ann and Mrs. Natalie Stroupe were dinner guests Sunday evening of Mr. and Mrs. H. Sines of Hebron.

Mr. and Mrs. Clayton Anderson of Rantoul, Ill. spent the night with Mr. and Mrs. Charles Petersen and family.

Mrs. Richard Hartnell has returned home from St. Therese hospital with her infant son Gary Frank who was born Aug. 22.

Mr. and Mrs. Thomas Presco of Chicago spent the week end with Mr. and Mrs. Byron Patrick.

Mr. and Mrs. Herbert Hernes and children of Kenosha spent Monday with Mr. and Mrs. David Elfers.

Mr. and Mrs. Milton Hernes and children have returned from a two weeks vacation with relatives in Northern Wisconsin.

Donald and Joy Fletcher spent the past week with their grandmother Mrs. Janet Fletcher.

Mrs. Charlotte Bloss, Mrs. Nellie Head accompanied Mrs. Harriet Krautkramer, and Mrs. Bessie Elbertson and grandchildren Beth and Kim Randall of Antioch to Delavan on Wednesday where they visited Mr. and Mrs. Harold McSweeney.

Mrs. Arthur Bloss and Mrs. Char-

lotte Bloss spent Friday in Milwaukee.

Rev. D. Hulse has returned from Appleton where he has attended Pastors School the past week.

Mrs. E. T. Manning left by plane Tuesday for Winter Gardens, Florida to make the acquaintance of her new granddaughter Sandra Kaye, who was born Aug. 25 to Mr. and Mrs. James Manning.

## You Won't Believe Your Ears!

Come in and see us at once. You've simply got to hear our new proposition. In plain English, it means that you can afford to own a new Nash Ambassador right now.

Today we can offer you a bigger, roomier, finer car for as much as \$1349\* less than other cars that compare with it—scores of features you can't get at anywhere near its price—coil-springing on all four wheels, Hydra-Matic Drive, Airliner Reclining Seat, Twin Beds, and the world-famous Jetfire engine! What a deal you'll get. We'll bet you can't match it anywhere in town—new lower monthly payments, too. Hurry in while we still have a big choice of colors and models.

\*Comparative prices, *Automotive News*, Aug. 20, 1951

Flatter yourself  
replace bare bulbs with the new 50-GA!

Now you can get rid of bare light bulbs with their harsh, unflattering light. The new

50-GA bulb gives a charming, mellow effect... adds new beauty to your

rooms and to you! That's because the new shape of the bulb directs much of the

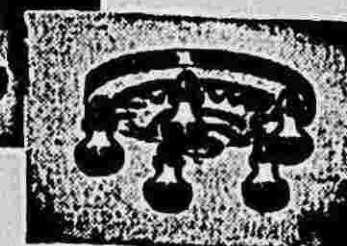

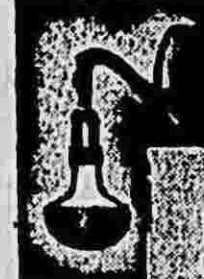

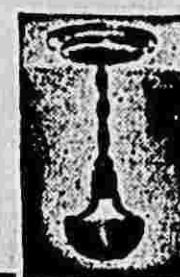

light upward... and an enamel coating on the under-portion

gives the downward light added softness and warmth. Wherever you

are using bare bulbs base-up, in chandeliers or overhead fixtures in

any room in the house, you'll want to replace them with

new 50-GA bulbs. Flatter yourself... get 50-GA bulbs today!

### All Bowling Leagues In Action Next Week; Ladies Handicap Scores

Several more of the bowling leagues will start play next week at the Antioch Recreation. Among them will be the Tavern league, Junior Business Men's league, Men's and Ladies Major league.

The Tavern league will start Monday evening with the following schedule: 7 p.m. — Hallings Resort vs. Club Villa, Hans and Mabel vs. Pagels' Thompsons vs. Old Orchard; 9 p.m. — Sorensens vs. Kempfs, Buds vs. Antioch Recreation, and Moran's vs. Smith's Slide Inn.

The Junior Business Men's league will start next Wednesday evening with the following schedule: 7 p.m. Holy Name Society vs. Brass Ball tavern, Lake Villa Pharmacy vs. V. F. W., Masek Service vs. Weber Duck Farm; 9 p.m. — Bill's Texaco vs. Golden Glo, Team No. 9 vs. Badger Cork Co., and Camp Lake Merchants vs. Leo. Fox Trucking.

The league meeting last evening elected as officers Hank Reidel, president; Elmer Hartnell, vice president; and Tony Sciacero, secretary-treasurer.

The Men's and Ladies Major leagues will start Friday, Sept. 14, the women bowling at 7 p.m. and the men at 9 p.m.

The Thursday Business Men's league will start play tonight.

The Ladies Handicap league started Tuesday with the following results:

#### Serviceemen's Comfort

Currently the bedding industry is producing for the Army and Navy nearly 3,000,000 mattresses and cots, as well as several million pillows and sleeping bags and substantial quantities of hospital beds and springs. By providing the maximum sleeping comfort for our soldiers and sailors, they are more fit for combat, both mentally and physically, than they would be in less comfortable circumstances.

#### Telephone Taxes

Taxes paid by the Bell Telephone companies, together with excise taxes on telephone service, now run at a rate of well over a billion dollars a year and currently average about \$2.65 per telephone per month. Federal taxes will increase somewhat during 1951, due principally to the higher corporation surtax rate.

### Get Booklet on Tomato Insects and Diseases

First step in controlling tomato disease in your farm or home garden is to select disease-free seeds from resistant varieties according to Farm Advisor Ray T. Nicholas.

If you save your own seed, select it only from healthy plants and fruit, he advises. That will help eliminate many crop losses and prevent much soil contamination that would otherwise occur.

If you buy commercial seed, it will help to buy certified seed. This seed comes from field certified by state inspection agencies as being free from bacterial canker and certain other seedborne diseases.

Regardless of the origin of the seed, you should treat it with an eradicant and preventative every spring before you plant, Nicholas suggests. Treating will reduce losses from seed decay and damping-off in the seedbed.

Other things you can do to help your tomatoes get off to a healthy start is rotate your crop and plant on clean soil, use only healthy transplants, keep out of the garden when plants are wet and watch for the first signs of diseases and insects pests.

The best time to treat your growing plants for disease is before the symptoms appear. But you can prevent much loss and injury by applying sprays and dusts promptly after disease and insect pests show up.

Get a copy of Circular 683, Tomato Diseases and Insect Pests, from the farm adviser. It is published by the University of Illinois College of Agriculture, and it contains much information of interest to tomato growers.

### Uncle Sam Says

Make today your "D" Day. Today as never before the thrift dollar is a defense dollar. The dollars you save today are building power for the nation. No one can escape the fact that defense is everybody's job, whether it be in uniform, in a defense plant or in providing defense dollars. You should sign up today for the Payroll Savings Plan where you work or the Bond-A-Month Plan at your bank. Either way your savings will work for freedom — your country's freedom and your own future freedom. U. S. Treasury Department

### Holstein Sire Serving County Wins High Award

A Holstein sire from the Northern Illinois Dairy Cattle Breeding association, which serves Lake county dairymen, has received one of the highest awards of that breed, says Farm Advisor Ray T. Nicholas. Model Bessie Montvic Chieftain has earned the Silver Medal Production Sire award which makes him "an outstanding sire," according to the Holstein-Friesian Association.

To earn the Silver Medal honor, at least 10 daughters of production-tested dams must have themselves been tested with records averaging at least 3.4 percent and 410 pounds of butterfat on twice-a-day, 305 day basis. The daughter's records must also exceed their production expectancy by at least 40 pounds of fat.

Nicholas says Model's 14 qualifying daughters produced of 462 lbs. of butterfat. This was 73 lbs. more than their dams' average. The daughters averaged 3.8 percent test.

#### Famous Flight

The Graf Zeppelin made her round-the-world trip in 1929.

### Farmer's Question Corner

PREPARED BY  
American Foundation For Animal Health

#### What About Pig Anemia?

Q: What is meant by the term "pig anemia"?

A: This means a lack of red blood cells, fewer red cells than normal.

Q: What causes anemia?

A: Lack of iron—generally when baby pigs do not have contact with soil. They get no iron through sow's milk.

Q: How does the disease appear?

A: Pigs do fine for several days. They may even appear overplump. Then they start to thump, go off feed, become dull and die after a coma or sleeping period.

Q: Is the disease more common in some breeds?

A: No. It occurs in all breeds of swine and in all sections of the country.

Q: Can pig anemia be prevented?

A: Yes, it can be prevented, and even blocked after losses start, by

giving pigs a supply of iron, preferably backed by a tiny amount of copper. Some authorities advise a piece of clean pasture sod in each pen.

Q: What about weaning sows' udders with molasses containing some iron and copper?

A: This is unsanitary; not good practice. The best method is to obtain a special powder or iron tablets from the veterinarian.

Q: Why is anemia so important?

A: Not only because of death losses, but pigs with anemia fall easy prey to other diseases. Also, pigs that suffer even light anemia may not gain well.

NOTE—Due to space limitations, general questions cannot be handled by this column.

**Better Driving Tests**  
Visual requirements for automobile drivers are slowly becoming more strict, says the Better Vision Institute. Ten states now test license applicants for depth perception—an increase of three states over 1949. In 37 states, as against a previous 29, applicants must pass tests for color blindness.

#### Easy Rug Dye

Household rugs as large as 9x12 feet can now be dyed right on the floor with a new concentrated liquid dye. The dye, called "Rugadub," is mixed with water, and applied with an ordinary scrub brush on pile-type, woven or hooked rugs. It comes in billiard green, deep hedge green, tobacco brown, maroon and midnight blue and is said to dry to a smooth, even color overnight.

#### Aids Growth

Tulips and many other bulbs can be brought to full bloom in eight to ten weeks when the bulbs are planted in Terra-Lite vermiculite.

#### Motorized Nuns

Motor scooters and bicycles are used by Roman Catholic nuns in their work of caring for the sick on the French countryside.

#### Oscar Mayer Wieners

With Bar-B-Q Sauce
